

Ecophon Akusto

Acoustic Printing

SHUSH - I'M THINKING!

To create a room with the optimum acoustic comfort you need to reduce noise, increase speech clarity, and minimise sound propagation.

Akusto graphic walls or Akusto graphic screens greatly reduce unwanted noise with stylish print ideal for any busy environment.

The design possibilities are endless and every graphic can be personalised to your taste or environment.

Easy installation makes Akusto the obvious choice for refurbishments, renovations or simply giving a room a bit of colour, style or even advertisement.

Typical places Akusto boards are used include-
Open-plan offices;
Schools; Hospitals and healthcare facilities;
Sports halls; meeting areas; nurseries

All panels are 40mm thick and come with a choice of framing and hanging kits to suit your requirements.
